## CERTIFICATE OF ANALYSIS

---

|              |                                     |
|--------------|-------------------------------------|
| Product      | Dithiooxamide                       |
| Grade        | Reagent                             |
| Product Code | DD1236                              |
| Formula      | NH <sub>2</sub> CSCSNH <sub>2</sub> |
| MW           | 120.20                              |
| CAS#         | 79-40-3                             |
| Lot No       |                                     |
