

Bio Basic Inc.

A world leader in serving science

## CERTIFICATE OF ANALYSIS

|              |                                                     |
|--------------|-----------------------------------------------------|
| Product      | Acrylamide/Bisacrylamide ( 29:1) Solution 40% (w/v) |
| Grade        | Ultra Pure Grade                                    |
| Product Code | A0007                                               |
| Lot No       |                                                     |

| Test Items                           | Specifications           | Actual Results |
|--------------------------------------|--------------------------|----------------|
| Appearance                           | Clear colorless solution |                |
| Concentration of acrylamide (w/v)    | 38.67 %                  |                |
| Concentration of bisacrylamide (w/v) | 1.33 %                   |                |
| Conductivity                         | < 5 $\mu$ mhos           |                |

Storage: 4°C, darkness.
